Full day - 6 activities

£80 per person

Three Activities

£50 per person

Two Activities

£40 per person

One Activity

£30 per person

Activity Descriptions:

Each activity is both exiting and fun, by splitting into groups of six people everyone is actively participating in the activities rather than wasting too much time spectating. Each team chooses a "fun name" whilst individuals have the chance to go for glory emphasis is put on winning the highly acclaimed team prize. Individual certificates are also given out for individual winners!

Karting on Lochterstone (outdoor, 8years+ and over 4 foot in height)

Our new 1km Tarmac Racetrack. Test your skills with our Sodi Karts on Lochterstone, a replica of the Silverstone racetrack. Guaranteed fun!

Water Roller (12stone weight limit)

Enjoy a 'Walk on Water' experience that you will not forget on one of Lochter's scenic lochs. Get your balance right and see how long you can stand up, walk or run on water for.

Lochter Climbing Wall/Zip Slide (for groups of 10ppl+)

Clay pigeon shooting - (12 years & up)

A sporting set up three different birds (clays). The two experienced instructors make quick judgements on the ability of each shooter and endeavour to get all shooters to hit as many birds as possible with their expert instruction.

The lightweight 28 gauge shotguns used have little or no recoil making them suitable for all ages.

4x4 Blindfold Challenge

An off road course with a difference. Choose a teammate to act as your "sat-nav" to tackle the awaiting obstacle course. (no driving licence required). (12 years and up)

Field Archery

At ranges up to fifty metres with a bit of instruction this deceptive sport will soon have you addicted.

With a total of 50 points to be won for each budding "Robin Hood" every arrow must count.

Digger driving

Amaze yourself operating a 5.5 tonne full slew excavator filling barrels of water under expert guidance. An activity that is most often won by the ladies as their gentle operation of the digger results in the least amount of water being spilled. A great team game with lots of audience participation.

Segway Challenge

A motorized scooter slalom challenge – fantastic fun on 2 wheels

Rifle target shooting

Can be linked to helium balloon shooting - very visual!

A sport that involves being taught how to control your breathing to get the telescopic sight on the bull's eye and a maximum score.

Not so spectacular as the clay shooting but every bit as important to your team score.

Target Golf

This version of target golf levels out the good golfers from the less gifted.

Expert instruction on all aspects from grip to stance soon has you hitting the targets.

Fly Fishing

Try to catch a rainbow trout of up to 25 lbs. in weight! Professional instruction on how to cast a fly perfectly on to the crystal clear Lochter water with more than a fighting chance of landing a monster.

Kayaking Challenge – (Groups of 10 people or more required, 12 yrs +)'

Team's are let loose on our double kayaks, working together to paddle in the right direction around a course with fun games along the way.

Other team building activities such as **Raft building, One man & his dog, Mini Highland Games, Walk the plank & Team ski racing, Team Tent Challenge, Tyred & Exhausted Challenge**, can help make up a great day if there is any spare time left. The exact composition of these activities is not disclosed at this point so as not to spoil them, but needless to say they require a lot of thought as opposed to skill or brute force.
