ACTIVITIES WE OFFER

Each activity is both exiting and fun, by splitting into groups of up to 10 people everyone is actively participating in the activities rather than wasting too much time spectating.

Each team chooses a "fun name" whilst individuals have the chance to go for glory emphasis is put on winning the highly acclaimed team prize. Individual certificates are also given out for individual winners!

KARTING ON LOCHTERSTONE

(outdoor, 8 years+ and over 4 foot in height)

Our 1.2km Tarmac Racetrack probably Scotlands Longest private Go-kart Track. Test your skills with our Sodi Karts on Lochterstone, a replica of the Silverstone racetrack. Guaranteed fun!

LOCHTER CLIMBING WALL & ZIP LINE

(For groups of 6ppl+) Climb up on one side choosing your own skill path up, then, slide down the other side on our Zip line, or perhaps Walk the Plank and safely free-fall to the ground.

JACOBS LADDER & VERTICAL CHALLENGE

(For groups of 6ppl+)

Challenge yourself on our latest climbing activities, Jacobs Ladder with horizontal timber climbing, or our Vertical Challenge Obstacle Course, suitable for all ages and extra challenges can be added.

CRATE STACK CHALLENGE LOCHTER CLIMBING WALL & ZIP LINE

(For groups of 6ppl+)

Great Team Sport, timed activity build the highest crate stack before time runs out or you fall.....don't worry we have you safely harnessed up for this one.

CLAY PIGEON SHOOTING GROUND

(Minimum Age 12yrs +)

A sporting set up of different clays, Settling Pigeon, Crossing Crow, Spring & Teal, The Rabbit along with our common incoming and outgoing traps. The experienced instructors make quick judgements on the ability of each shooter and endeavour to get all shooters to hit as many clay birds as possible with their expert instruction. The lightweight 28-gauge shotguns used have little or no recoil making them suitable for all ages.

SEGWAY CHALLENGE

A motorised two wheel electric Segway needs to be skillfully navigated around our pre-assigned course, racing against the clock to get the best score.

FIELD ARCHERY

At ranges up to fifty metres with a little bit of instruction this deceptive sport will soon have you addicted. With a total of 50 points to be won for each budding “Robin Hood” every arrow counts.

DIGGER DRIVING CHALLENGE

Amaze yourself in one of our 3.5 tonne Bobcat full slew excavator, filling barrels of water under expert guidance. An Activity that is most often won by ladies as their focused operation of the digger results in the least amount of water spilled. A great team game and with lots of audience participation.

4X4 BLINDFOLD CHALLENGE

An off-road course with a difference. Choose a teammate to act as your “sat-nav” to tackle the awaiting obstacle course.

(No driving licence required). (12 years and up)

OFF-ROAD BUGGY

(COURSE DESIGNED FOR OUR JUNIOR AGE RANGE)

Great for those not quite old enough for Blindfold Driving. So long as you can reach the pedals our instructors will take you round on a purpose built off-road route up and down ditches, through fast moving water, and into the woods amongst trees. Great way to experience ATV driving.

TARGET AIR RIFLE SHOOTING

A sport that involves using our state of the art Weira Air Rifles at assigned targets down range. You will be taught how to control your breathing and to get the telescopic sight on the bull’s eye to achieve a maximum score. Not so spectacular like Clay Pigeon shooting but every bit as important for team scores or those not quite 12 years of age.

TARGET GOLF

This version of target golf levels out the good golfers from the less gifted. Under a little instruction you will soon hit either the centre top score target or the bigger closer targets down range.

FLY FISHING

Try your hand at catching one of our rainbow trouts of up to 25lbs in weight! Our professional instructors will show you how to cast a fly perfectly on to the crystal clear water of one of the 3 Lochs we have on site, giving you a chance to land a monster fish.

KAYAKING AND WATER SPORTS

(Groups of 8 or more, WET Activity)

Teams are let loose on our double kayaks, working together to paddle in the right direction around a course with fun games along the way, or try out some paddle boarding.

TEAM BUILDING FOCUSED ACTIVITIES

Team orientated events and activities are great for strengthening the team bond within a group. It is important to keep team morale high and what better way of doing this than taking them out of their everyday working environment and putting them in situations that require them to communicate, listen and act together for the success of a task. At Lochter, some of our more team-orientated activities include:

RAFT BUILDING

(Groups of 8 or more, WET Activity)

Please make sure you take along a spare set of clothes and a towel. This activity can be restricted to only 2-3 people getting wet. The team has all the individual equipment laid out, each team has the same materials. The aim is to figure out how to build a raft that not only floats but stays together as they paddle across the pond and back in the quickest time. The task requires each individual to problem solve and communicate in the most effective manner.

TIRED & EXHAUSTED

The team is required to get from the starting point to the finishing point all together using only a certain number of tyres, participants are not allowed to touch the ground so everyone has to move together. If someone touches the ground a tyre is removed, making this timed challenge even more challenging.

SHEEP DOG TRIALS

This is not only very rewarding but also pretty entertaining. One member of the team is nominated as the shepherd (team leader) and they are given a list of commands that they are to teach their sheep (rest of the team), the sheep are then blindfolded by masks that look like sheep and guided through a course together. This activity requires good communication and listening skills and one person to show their leadership.

TEAM GRASS SKIING

This activity has the team attached to a large pair of grass ski's, they then need to work together to complete a course facing small obstacles along the way. This is a timed challenge and works on good co ordination.

DO YOU NEED TRANSPORT?

BUS HIRE

We work with Premier Coaches of Kintore and book the transport on your behalf, recharging this as part of your final bill. Below are example pricing, we will confirm costs in advance with you.

Aberdeen City Centre	One Way	Return
